Bulk Gift Card Drive

We'll donate 20% of bulk purchases to Maine Down Syndrome Network

Gift cards are hugely helpful to Maine small businesses like ours – especially during the pandemic! We'd like to pay it forward. When your company or non-profit purchases \$1,000 in gift cards for the holidays, Gelato Fiasco will donate 20% of the value to the Maine Down Syndrome Network.

Gift cards can be used:

- as gifts to our Brunswick and Old Port stores.
- for discounted catering events after the pandemic (see below).

For more information or to purchase, contact Mitch Newlin at mitch@gelatofiasco.com or (207) 208-7151.

CATERING INFO: An on-site gelato scooping event for 75 people within 30 miles of Brunswick starts at \$599 for most dates. Lock in a discounted rate of \$499 for that crowd size and service area when using a card purchased under this program in 2021 or 2022. Catering is currently suspended due to pandemic rules, so you do not need to reserve your dates now. Routine catering will start back up when the pandemic ends and in-person indoor events are unrestricted. Use is subject to capacity availability, including on holidays and peak summer wedding dates.
 RED SPOON SOCIETY: Can be combined with Red Spoon Society bonus promo for up to a max of 10 certificates.
